LATIA collection

The LATIA pot collection is a sophisticated combination of elegance and simplicity. Each pot in the collection has a unique shape, ranging from slender to wide, with square and oval forms. Together, they can form a consistent decoration for your home or garden. The characteristic features of this collection are the vertical grooves in the texture of the sides of the pots, symbolising the power of nature and the Earth.

TUBRA collection

The TUBRA pot series delights with how it alludes to classic Greek sculptures, which are well-known for their harmonious proportions and unquestionable elegance. The collection includes pots in many different shapes – from classic, wide forms to tall and slender pots. The horizontal lines decorating their surface resemble carefully sculpted details of antique columns, giving every model a unique form, which is impossible to achieve using other technologies.

MOLTA collection

The MOLTA pot series is a fine example of subtle interplay between smooth, oval shapes and more distinct forms, based on rectangles and squares. Each pot – with or without discreet supports – tells its own story. The subtly rounded edges and the smooth surface draw attention to their precise finish and casual elegance.

The MOLTA collection is a symphony that unites nature and craft, where every shape reflects minimalism, peace and balance – values which come highly appreciated in modern design.

VIVO collection

The VIVO pot collection, inspired by ancient ceramics, combines modern craftsmanship with minimalism. The collection emphasises gently tapered products with soft edges that resemble the works of ancient craftsmen. Thanks to their reliance on tradition, they are the perfect complement to plants and can become their integral part.

CORO collection

The CORO pot series is a gallery of minimalist sculptures. Each form, from the oval to the rectangular, pays tribute to modern art. The ribbed structure resembles brush strokes or architectural lines. The flat finish of the edges makes the pots seem more raw, emphasising the sculpture-like feel of the shapes. In this collection, we combine art with functionality to create useful, designer-style forms.
